President's Message

Hello Chamber Members,

Well it has been a long winter and spring is only teasing us lately. Hopefully Mother Nature will start giving us some nice warm weather in the near future.

Our office has been vacated and all of our stuff has been put into storage. As of this newsletter the board has not yet approved the move to our new location but it is looking very promising. The board will take an official vote on Tuesday May 13th so I will be able to give you an update at the meeting Wednesday May 14th.

At our last meeting County Executive Chris Abele gave a very informative speech about different matters affecting the Milwaukee County area. It was very interesting and he took questions after his presentation which was very enlightening. Cory Ann St. Marie Carls (Mayor of St. Francis), John Hohenfeldt (Mayor of Cudahy), and newly elected South Milwaukee Mayor Eric Brooks all gave updates on happenings in their

respective cities. Mayor Brooks asked where to sign up for the SSCC. Welcome new member Mayor Brooks and thank you.

Soon we will be using a new email address for all correspondence to the members. We are in the process of setting the email address. Notification will go out to the members when to start using the new email address. Don't forget the upcoming networking event in June. More details will be sent later this month.

I hope you all plan on attending our next meeting at Aurora South Shore on May 14th, 2014. Dr. Masood Wasiullah will be our keynote speaker. I am sure it will be a very interesting presentation. Dr. Wasiullah is Senior Vice President, Physician Strategist with Aurora Health Care.
