**Keep your Business Safe & Secure through Active Shooter Training updates, Fire Safety and Theft Prevention**

**with P. O. Mitchell Ross of the MPD**

The Gateway to Milwaukee & The Best Western Milwaukee Airport Hotel and Conference Center are once again sponsoring an **Active Shooter Training Program** at no cost to you, your staff and invited guests. This will be a refresher for those of you who have attended this event before.

This program has been expanded to also include Police Officer Ross discussing **how to keep your business and property secure** (from car thefts and robberies), **fire safety and issues with human trafficking**. This training will enable attendees to recognize and identify potential situations and the proper actions to take.
