South Shore SOUP

serving communities of the South Shore Chamber of Commerce

Fund your community project with support from your neighbors – anything from filling a pothole, to funding a class field trip, to starting a new business. Attendees pay $10 for soup & salad and vote on which project they think benefits the community the most. The winner goes home with all of the money raised at the door to carry out their project. At the dinner, residents and supporters connect, share ideas and community resources.

Email the South Shore Chamber at infossccwi@gmail.com with the answers to the questions below!

• Your proposal doesn't need to be a novel.

• Short, quick and to the point.

• Your idea can be about ANYTHING!

• The idea must be for Cudahy, St. Francis or South Milwaukee

 • You do not have to be a resident to submit an idea, and age is just a number so please don't limit yourself or a child! We want to hear from all.

 • If your idea doesn't get selected for this SOUP, then SUBMIT AGAIN! Only 4 submissions are chosen to share at the SOUP, but don't be discouraged! Check back for information on the next SOUP event in April 2019.

• Save what you wrote, so if you want to submit for the fall SOUP you have the language you want for later.

• Anything you submit will be used in printed packets at the dinners.

• Make sure you edit, look for spelling errors, etc.

Submission deadline: January 30, 2019
Date: Sunday, February 10, 2019
Event location: Polonez Restaurant – St. Francis
Event time: 4PM-7PM

Do you have questions about submitting? Email Trish Wimer, Coordinator at trish2@wi.rr.com

APPLICATION

Name:

Address:

Phone Number:

Email:

Project Name:

Project Summary:

Tell us specifically how you will use SOUP grant funding * Ex. What are costs that you will defray? What items do you intend to buy? Will you put money towards permits?

How will this project impact the community of Cudahy, St. Francis or South Milwaukee.

Ex. What problem will it solve? What benefit does it offer? What will it improve?

What is your project timeline?
*

When would you start your project? How long will it take? What barriers do you foresee? Will your project be completed by spring 2019 for discussion at the next SOUP?
